

July 21

The Menasha Town Board met July 21 at 8:00 pm at the town hall with all members present.

Chairman Bob Wentz called the meeting to order and the pledge was said.

Clerk was called on to read the minutes from June meeting. Greg Lange moved to accept Richard Moore 2nd approved. Minutes from public hearing were read and Greg moved to accept Richard second approved.

There will be a Coalition meeting July 22 at 7:00 at Watford Town Hall.

There was discussion on wind towers. Checked with Northfield Township & Rice County did permits on this. A concern is with the height 240'. Board members will do some more checking with St. Olaf & Dakota County. May have to amend the ordinance or deny. Most residents are opposed to this on their property. The Skalski have run into a problem with some of the quotes for moving the old town hall. They have contacted Greg Lange. Board discussed maybe the township could help out with some of the costs. Wait & see what quotes come in at.

the County has said the reconstruction of 320th is going slow because of the stimulus money & the railroad. Nothing has been done so far. To resolve the Norburns driveway issue.

Culvert done on 285th - more gravel on some roads.

Robert winter moved to book 1000gals of propane from Central Valley Coop. Richard Winter second. Approved.

Money in checking should be moved. transfer \$40,000 to Money market and put 40,000 in CD's. Clerk checked rates and First National had best rate.

Bills were ailed on and paid.
