

The Greenvale Town Board met Oct. 17, 2013 at the town hall at 7:00 p.m. with all members present.

Chairman Richard Moore called the meeting to order and the pledge was said.

Clark read the minutes from September. There was one change. Don Howard should be Todd Howard from Dakota County. Greg Kenney moved to accept the corrected minutes and done that second. Approved.

Commissioner Mike Slank attended the meeting as a visitor. He was asking for concerns or questions. County Board is reducing levy by 1/2%. County Rd 90 bridge by Elstads will be done in 2014. The Government shut down did not affect the County Government much. There were several lay offs.

Dennis Kuebe, Rice County Highway Engineer sent a letter saying they would terminate 1980 agreement to grade Rice Co. #55. Linnell said they would help out if needed.

Scott Qualls attended. There has been several complaints as far as timely inspections. Scott said they have to have

at least 24 hours notice. May do quicker if they are in the area. Cover a large territory. Contract says 24 hours. There was a concern about windows on Loren's house. Should it be City of Northfield or township? It ended up going to the City for a flat fee. Annex agreement says improvements should be township until some construction is done on behalf of Northfield City.

Call Bob Segue again in regards to records.

Deputy Ukeslaw come and reported there has been several burglaries again but they have been apprehended. Jim Helonen, Bobby Mahowald & several others.

See Service Agreement. Draft to be sent to City of Northfield next week. Joint powers? Advisory? Assign Greg Lange to attend with Richard Moore as back up.

Computer purchase. Eric Christensen & Kinis Kanga were shopping and bought a projector & other equipment. Should be set up by November meeting. WiFi from Northfield.

CTAS is offering a program that

they are utility townships. \$300.00 per
 foot reimbursement if not used or
 completed.

292nd St. will be set up as a
 minimum maintenance road in
 November. 1320 feet.

Question about Maintaining
 Helen Parkman road. grading &
 gravel. was checked when shushing
 roads OK. Should be graded.

Bob from Quality Propane came
 & explained the use of more product &
 the reasoning behind this. Holds crushed
 rock together better. Bulk liquid.

Questioned a second application. Makes
 the road slippery in winter as the salt
 attracts moisture & then makes ice.

Greg Langewas shushing about
 getting maps & bulldozer files done.
 Mike Sloan suggested we apply for
 a block grant from CPA to help with
 this. He will check on it (Russ Halverson)

Abandoned vehicles & trailers. Greg
 suggested the letters be written & sent.
 Greg brought up Tom Wertz field
 request for compliance with an Intermun
 Use Permit. He will check with Tom
 on this.

Road work - improvements.
 Pictures have been taken so
 we can turn it in to FEMA
 soon. Still needs to be more
 work done. Byrvalle has a list
 of what needs to be done.

The roads on the list for
 improvements this year have been done.
 Ditches now gravel, full shade
 & rock. Committee has been over-
 seeing this work.

Computer bills and expenses
 have been approved. Richard Moore
 made a motion to pay & Dave Roche
 second approved & paid.

Saddle Club brought agreement for
 winter & rent was paid.

adjourned 9:30pm
 Esith Nelson, Clerk

Bills were asked on and
 paid.
