

**Greenvale Town Board IUP Public Hearing
September 28, 2015**

Present: Chair Gregory Langer, Supervisor Duane Fredrickson, Clerk Linus Langer
Applicants Jason and Michele Peterson, Neighbor Dallas Berg,

6PM Opened meeting with Pledge of Allegiance.

Langer read the Posted Notice out loud.

Agenda approved with Michele Zahn, Jason Peterson, Dallas Berg present.

Langer explained process and our obligations. Due process was discussed and how it allows input from interested parties.

Langer recapped the Application essentials for all to understand.

Jason Peterson shared story of acquiring Tower and how it will be beneficial to them for WiFi use. Jason also mentioned possible turbine for electrical generation mounted someday on same tower.

Langer explained start and stop dates and expressed 20 year window was his recommendation. He recommended start date of October 20th 2015 with end date of October 20th of 2035. Map was presented to show area of property and where tower would be located for best line of sight access to signal.

Fredrickson inquired on use of tower. Jason told about Northfield WiFi. Fredrickson asked if seller was Jeff Morton? "yes" Fredrickson was one of their 1st customers.

Langer mentioned he has been in touch with MAT (Eric Hedke) and advice is we need to wait on approval until regular monthly meeting.

Fredrickson expressed he would be in agreement with IUP. Langer did as well.

Fredrickson asked, before we adjourn, we would revisit this at regular meeting and vote to approve...

6:25 Meeting Adjourned.

Respectfully, Linus Langer | Clerk
